July Newsletter

Welcome Back! We hope everyone had a safe and happy Fourth of July.

This month we are going over concepts that we have touched on earlier and seemed to have fun with, for instance, proper names of things, colors and shapes, numbers, foods, etc. We are going to do this by taking a look, once again, at the things we liked to do.

Our themes this month are as follows:

June 28-July 2

July 12-16

July 19-30

Things we like to do

Foods we like to try

Places we like to go

I hope to make this very informal and fun, yet achieve an educational experience. We may not necessarily go in order either.

If you have any questions, ideas, or concerns, please feel free to let us know.
